# WHY RETINOL?

---

**WHAT IS IT?**

Retinol is a form of Vitamin A that is commonly known for its anti-aging properties.

**KEY BENEFITS**

- **BOOST COLLAGEN PRODUCTION:** Which help reduce fine lines and wrinkles.
- **IMPROVES SKIN TONE:** Retinol help fade hyperpigmentation and dark spots, leading to a more even skin tone.
- **ENHANCES SKIN ELASTICITY:** Regular use of retinol can improve skin elasticity, making it more resilient and less prone to sagging.
- **ANTIOXIDANT PROPERTIES:** Retinol has antioxidant properties that help protect the skin from free radical damage.

CLINICAL STUDY

# RETINOL

A 12-WEEK STUDY

A recent study demonstrates that using 0.1% retinol over a 12-week period effectively reduces the signs of photoaging. Significant improvements in wrinkles, fine lines, uneven skin tone, and brown spots were observed as early as the fourth week. Participants experienced continuous enhancement in skin texture and appearance throughout the study duration.

PREMIUM ACTIVE INGREDIENTS

93% NATURAL  
ORIGIN

NATURAL AND ORGANIC INGREDIENTS

Organic ingredients are added to enhance the formula and meet the growing demands of today’s conscious consumers. Our carefully selected organic ingredients bring several advantages to our products.

ORGANIC SHEA BUTTER

Shea butter not only boosts collagen, but is also well known for its hydrating properties. It is packed with fatty acids that are responsible for improving skin moisture and maintaining elasticity.

ORGANIC ALOE VERA

Aloe Vera is a natural collagen-booster that reduces wrinkles. It is enriched with minerals and vitamins that work together to help retain moisture and keeps the skin hydrated.

ORGANIC JOJOBA OIL

Contains antioxidants that help produce and protect collagen. Also contains fatty acids that are structurally similar to the sebum produced by our skin, which makes absorption easier.

PREMIUM ACTIVE INGREDIENTS

# COLLAGEN BOOSTING

SKIN BOOSTING PREMIUM INGREDIENTS

Our products are formulated for a variety of skin types with high performance ingredients that are in high demand. We use only the best active ingredients that work well together and on their own.

NIACINAMIDE

Collagen-boosting ingredient that support the skin barrier, improves skin texture by reducing pore visibility and helps balance oil production.

VITAMIN E

A powerful antioxidant and collagen-boosting ingredient that keeps skin moisturized, soft, hydrated, and protects against the sun.

MARINE COLLAGEN PEPTIDES

Collagen peptides are active amino acids that improve hydration and elasticity, visibly plump skin and reduce fine lines and wrinkles
